

A MEAN PIECE OF BUSINESS.

Under the above head the Reese River Reveille has the following:

The five cases of selling whiskey to Indian which have been on trial in the United States Circuit Court before Judge Hawley for about a week came to a conclusion yesterday. Four ended in acquittal, one poor, miserable, old Mick being found guilty and sentenced to thirty days in the Storey County jail, a contract having been made with the United States Marshal to that effect for such condemned culprits.

But these cases cost the Government lots of money. Seventy-two jurors were summoned from various parts of the State at \$2 per day each and mileage, 5 cents per mile, about twenty witnesses at \$1.50 per day and 5 cents mileage, and then there was the fees of the United States Marshal in making the arrests, the attorney's fees, the transportation and care of the prisoners, etc., the whole involving some hundreds of dollars—and all to nearly or quite no purpose. Two of the parties from Battle Mountain were respectable business men, and everything went to show that a job was put up by certain parties there to get them into a scrape and have them arrested in order to get a few hundred dollars out of it.

But the game did not succeed and the mercenary gutter snipes had to go back empty handed. Even Judge Hawley in his charge to the jury mentioned the appearance of jobbery in the matter and said he would try to inquire further into it for future reference.

It was somewhat of a picnic to the half-dozen bucks and squaws—\$1.50 a day, free ride here and back and a chance to see all the sights about the State Capitol, the Legislature, etc.

But the greatest hardship was in arresting respectable business men, taking them away from their business, and putting them to heavy expenses, serious trouble and damage. There should be some way of making the venal instigators of the outrage suffer for it.

The above was sent to the Reno Journal by its Carson correspondent and aptly tells the story of the recent arrests made in Battle Mountain, of some of our North End citizens. The fact that Messrs. Wise and Huntsman were acquitted, shows that the whole business was a put up job, and we are informed that those who claim to be respectable, and of whom better things were expected, took an active part, behind the scenes, in this abominable business. These injured parties have probably good cause of action against some one for damage in the business just ended, and some day somebody will smell trouble over similar affairs. It cannot come too soon for those deserv-

BIMETALLIC DEMOCRATS.

The following are the names of the Democrats who signed the address recently given to the public, urging all Democrats to make the money question the paramount issue and endeavor to place the Democratic party on record in favor of the "immediate restoration of the free and unlimited coinage of gold and silver at the present legal ratio at 16 to 1, without waiting for the aid or consent of any other nation, as it existed prior to 1873, such coin to be full legal tender for all debts, public and private."

R. P. Bland, Missouri; W. J. Bryan, Nebraska; H. A. Coffey, Texas; John L. McLaurin, South Carolina; James G. Maguire, California; George Ikert, Ohio; Justin R. Whiting, Michigan; H. C. Snodgrass, Tennessee; George F. Richardson, Michigan; M. A. Smith, Arizona; W. A. Ogden, Louisiana; J. C. Capelhart, West Virginia; W. L. Moore, Kansas; H. D. Money, Mississippi; W. R. Ryan, Missouri; B. F. Grady, North Carolina; Charles H. Morgan, Missouri; G. W. Shell, South Carolina; Edward Lane, Illinois; D. D. Donovan, Ohio; A. C. Latime, South Carolina; Marshal Arnold, Missouri; W. H. Denson, Alabama; W. J. Talbert, South Carolina; John S. Williams, Mississippi; T. J. Strait, South Carolina; A. Caminetti, California; W. H. Bower, North Carolina; Antonio Joseph, New Mexico; Evan P. Howell, Alanta Constitution; J. Floyd King, ex-member of Congress, Louisiana.

They represent sixteen States and two Territories. The paper was taken to the Senate just before the session, but as it was impossible to make a thorough canvass it was decided to leave the Senators out entirely. Bryan said that the address had been issued to call the attention of the rank and file to the importance of the work in favor of bimetalism.

NEVADA SHOULD BE FIRST.

The Silver State should be the first to approve and endorse the action of the National Bi-Metallic, whose ad-

mirable declaration of principle in favor of the free and unlimited coinage of silver at the ratio of 16 to 1, as well as the Government issuing its own money generally, that has just been submitted to the American people. Every citizen of the State professes to be in favor of the sentiments contained in the League's address favoring a National Silver party; and certainly a vast majority of the voters will support the candidacy of such a solid Silver man as Congressman Jos. C. Sibley. Let the Legislature express the feelings of our people and the Governor forward a copy of appropriate resolutions to Gen. Warner, Chairman of the League, as evidence that Nevada's electoral vote shall be cast in '96 for a Presidential candidate who will serve the people instead of the Gold Trust.

The new divorce law for South Dakota precludes the possibility of fraud by requiring personal service to be made in all cases. It requires residence in South Dakota three months before an action can be begun, and three months before a decree can be granted.
